BB GLOW TREATMENT

What is BB Glow ?

BB Glow Treatment gives the illusion of "Wake up with Makeup" and provides a glass-like glow to the skin. It offers a flawless glowing complexion without the need for applying makeup or foundation. The treatment penetrates serum and tint into the skin surface, resulting in a natural glow and even skin tone.

Who can take this Treatment ?

People with -

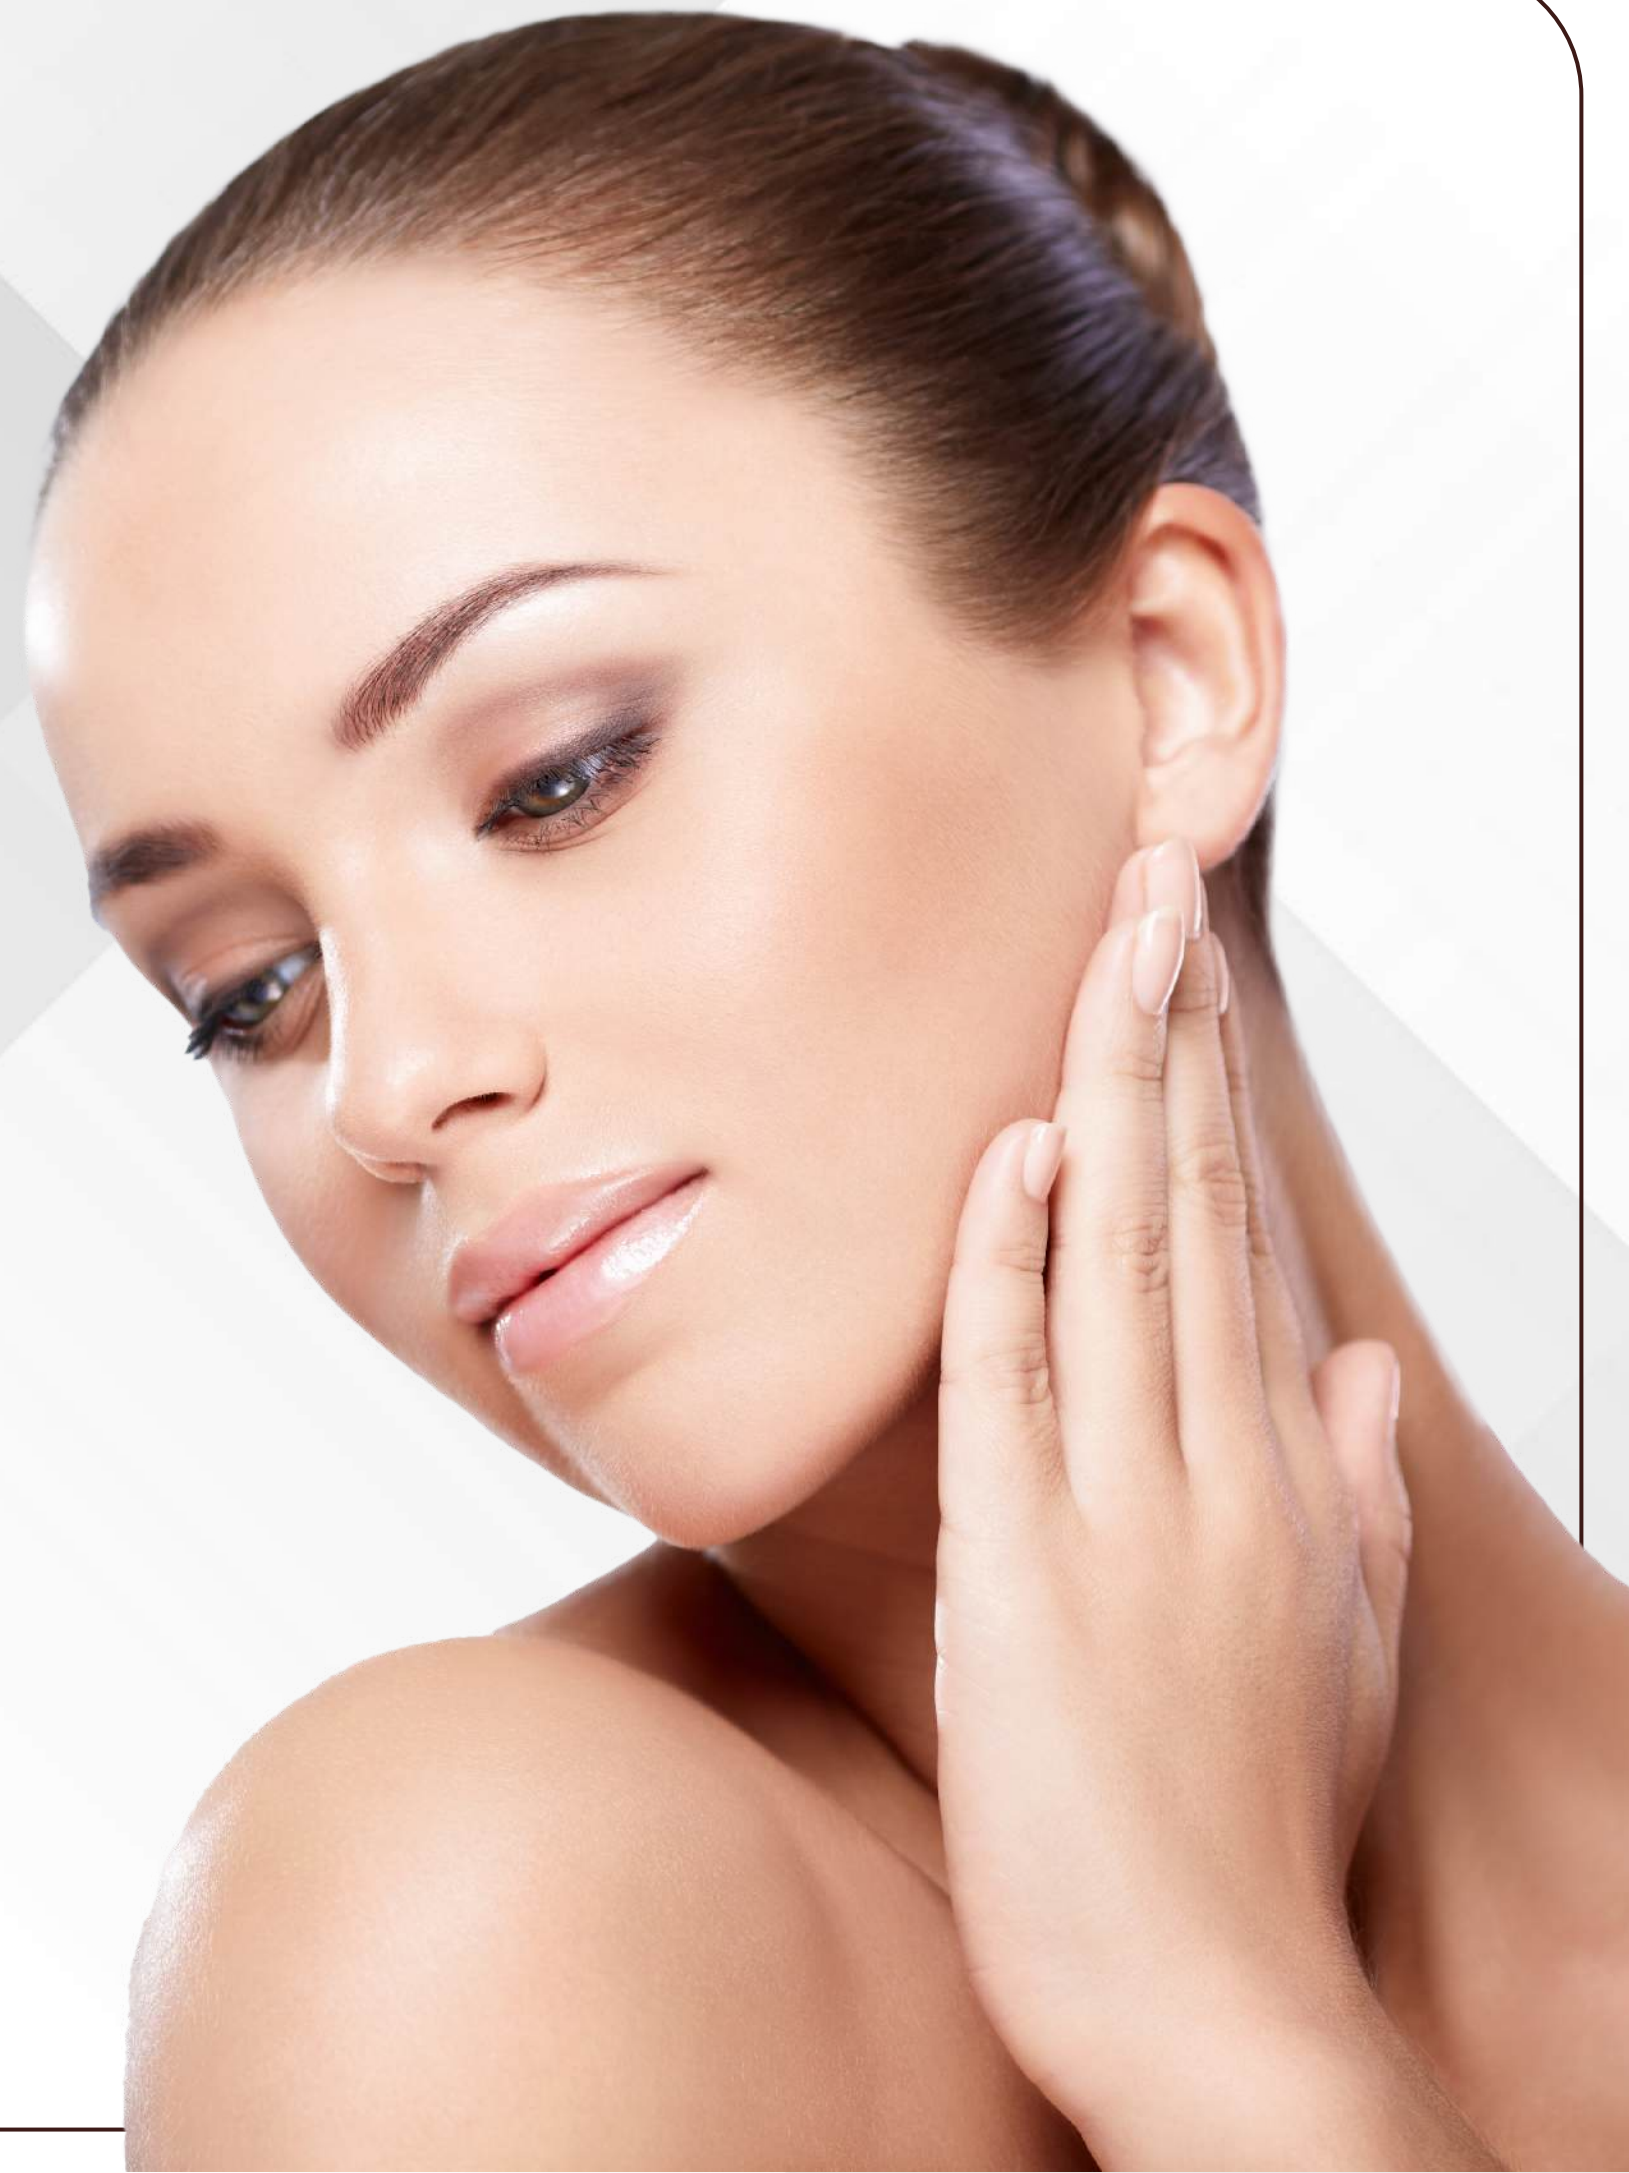

Dull and uneven skin tone, hyper pigmentation, post acne scars, age spots and sun spots, early aging, lax skin

Per Sitting
